Eliminator at the Four-Wheel-Drive Grand Prix at Riverside, and the rest is history. Ford's Bronco dominated the off-road racing scene and captured coveted titles in the Mint 400, Baja 500, and dirt racing's crowning achievement: the Mexican 1000/Baja 1000. As the first-generation Bronco gave way to the second-generation machine (1978), racing Broncos continued to devour the competition until Ford pulled the plug on the rig in 1996. Complementing the legendary Broncos featured here, you will also hear the tales of their wranglers, including Parnelli Jones, Rod Hall, Larry Minor, Shelby Hall, James Garner, Don Barlow, James Duff, Bill Rush, and the aforementioned Ray Harvick and Bill Stroppe. The infamous mounts covered include Big Oly/Crazy Colt,

*Canada's Residential Schools: The History, Part 2, 1939 to 2000*

Commission de vérité et réconciliation du Canada 2016-01-01  
Between 1867 and 2000, the Canadian government sent over 150,000 Aboriginal children to residential schools across the country. Government officials and missionaries agreed that in order to “civilize and Christianize” Aboriginal children, it was necessary to separate them from their parents and their home communities. For children, life in these schools was lonely and alien. Discipline was harsh, and daily life was highly regimented. Aboriginal languages and cultures were denigrated and suppressed. Education and technical training too often gave

way to the drudgery of doing the chores necessary to make the schools self-sustaining. Child neglect was institutionalized, and the lack of supervision created situations where students were prey to sexual and physical abusers. Legal action by the schools’ former students led to the creation of the Truth and Reconciliation Commission of Canada in 2008. The product of over six years of research, the Commission’s final report outlines the history and legacy of the schools, and charts a pathway towards reconciliation. *Canada’s Residential Schools: The History, Part 2, 1939 to 2000* carries the story of the residential school system from the end of the Great Depression to the closing of the last remaining schools in the late 1990s. It demonstrates that the underfunding

and unsafe living conditions that characterized the early history of the schools continued into an era of unprecedented growth and prosperity for most Canadians. A miserly funding formula meant that into the late 1950s school meals fell short of the Canada Food Rules. Overcrowding, poor sanitation, and a failure to adhere to fire safety rules were common problems throughout this period. While government officials had come to view the schools as costly and inefficient, the churches were reluctant to countenance their closure. It was not until the late 1960s that the federal government finally wrested control of the system away from the churches. Government plans to turn First Nations education over to the provinces met with opposition from Aboriginal

organizations that were seeking "Indian Control of Indian Education." Following parent-led occupation of a school in Alberta, many of the remaining schools came under Aboriginal administration. The closing of the schools coincided with a growing number of convictions of former staff members on charges of sexually abusing students. These trials revealed the degree to which sexual abuse at the schools had been covered up in the past. Former students, who came to refer to themselves as Survivors, established regional and national organizations and provided much of the leadership for the campaign that led to the federal government issuing in 2008 an apology to the former students and their families.

The Devil in Silver Victor LaValle  
2013-09-10 NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Washington Post • Publishers Weekly  
New Hyde Hospital's psychiatric ward has a new resident. It also has a very, very old one. Pepper is a rambunctious big man, minor-league troublemaker, working-class hero (in his own mind), and, suddenly, the surprised inmate of a budget-strapped mental institution in Queens, New York. He's not mentally ill, but that doesn't seem to matter. He is accused of a crime he can't quite square with his

memory. In the darkness of his room on his first night, he's visited by a terrifying creature with the body of an old man and the head of a bison who nearly kills him before being hustled away by the hospital staff. It's no delusion: The other patients confirm that a hungry devil roams the hallways when the sun goes down. Pepper rallies three other inmates in a plot to fight back: Dorry, an octogenarian schizophrenic who's been on the ward for decades and knows all its secrets; Coffee, an African immigrant with severe OCD, who tries desperately to send alarms to the outside world; and Loochie, a bipolar teenage girl who acts as the group's enforcer. Battling the pill-pushing staff, one another, and their own minds, they try to kill the monster that's stalking them. But can the

Devil die? The Devil in Silver brilliantly brings together the compelling themes that spark all of Victor LaValle's radiant fiction: faith, race, class, madness, and our relationship with the unseen and the uncanny. More than that, it's a thrillingly suspenseful work of literary horror about friendship, love, and the courage to slay our own demons. Praise for The Devil in Silver "A fearless exploration of America's heart of darkness . . . a dizzying high-wire act."—The Washington Post "LaValle never writes the same book and his recent is a stunner. . . . Fantastical, hellish and hilarious."—Los Angeles Times "It's simply too bighearted, too gentle, too kind, too culturally observant and too idiosyncratic to squash into the small cupboard of any

one genre, or even two."—The New York Times Book Review "Embeds a sophisticated critique of contemporary America's inhumane treatment of madness in a fast-paced story that is by turns horrifying, suspenseful, and comic."—The Boston Globe "LaValle uses the thrills of horror to draw attention to timely matters. And he does so without sucking the joy out of the genre. . . . A striking and original American novelist."—The New Republic

*The Devil's Triangle* James M. Smallwood 2019-09-15 In the Texas Reconstruction Era (1865-1877), many returning Confederate veterans organized outlaw gangs and Ku Klux Klan groups to continue the war and to take the battle to Yankee occupiers, native white Unionists, and their allies, the free people. This study of Benjamin Bickerstaff and other Northeast Texans provides a

microhistory of the larger whole. Bickerstaff founded Ku Klux Klan groups in at least two Northeast Texas counties and led a gang of raiders who, at times, numbered up to 500 men. He joined the ranks of guerrilla fighters like Cullen Baker and Bob Lee and, with their gangs often riding together, brought chaos and death to the “Devil’s Triangle,” the Northeast Texas region where they created one disaster after another. “This book provides a well-researched, exhaustive, and fascinating examination of the life of Benjamin Bickerstaff, a desperado who preyed on blacks, Unionists, and others in northeastern Texas during the Reconstruction era until armed citizens killed him in the town of Alvarado in 1869. **The Devil All the Time** Donald Ray Pollock 2011-07-12 Now a Netflix film starring Tom Holland and Robert Pattinson A dark and riveting vision of 1960s America that delivers literary excitement in the highest degree. In *The Devil All the Time*, Donald Ray Pollock has written a novel that marries the twisted intensity of Oliver Stone's *Natural Born Killers* with the religious and Gothic overtones of Flannery O'Connor at her most haunting. Set in rural southern Ohio and West Virginia, *The Devil All the Time* follows a cast of compelling and bizarre characters

from the end of World War II to the 1960s. There's Willard Russell, a tormented veteran of the carnage in the South Pacific, who can't save his beautiful wife, Charlotte, from an agonizing death by cancer no matter how much sacrificial blood he pours on his "prayer log." There's Carl and Sandy Henderson, a husband-and-wife team of serial killers, who troll America's highways searching for suitable models to photograph and exterminate. There's the spider-handling preacher Roy and his crippled virtuoso-guitar-playing sidekick, Theodore, running from the law. And caught in the middle of all this is Arvin Eugene Russell, Willard and Charlotte's orphaned son, who grows up to be a good but also violent man in his own right. Donald Ray Pollock braids his plotlines into

**Between Debt and the Devil** Adair Turner 2017-08-02 Why our addiction to debt caused the global financial crisis and is the root of our financial woes Adair Turner became chairman of Britain's Financial Services Authority just as the global financial crisis struck in 2008, and he played a leading role in redesigning global financial regulation. In this eye-opening book,

he sets the record straight about what really caused the crisis. It didn't happen because banks are too big to fail—our addiction to private debt is to blame. Between Debt and the Devil challenges the belief that we need credit growth to fuel economic growth, and that rising debt is okay as long as inflation remains low. In fact, most credit is not needed for economic growth—but it drives real estate booms and busts and leads to financial crisis and depression. Turner explains why public policy needs to manage the growth and allocation of credit creation, and why debt needs to be taxed as a form of economic pollution. Banks need far more capital, real estate lending must be restricted, and we need to tackle inequality and mitigate the

relentless rise of real estate prices. Turner also debunks the big myth about fiat money—the erroneous notion that printing money will lead to harmful inflation. To escape the mess created by past policy errors, we sometimes need to monetize government debt and finance fiscal deficits with central-bank money. *Between Debt and the Devil* shows why we need to reject the assumptions that private credit is essential to growth and fiat money is inevitably dangerous. Each has its advantages, and each creates risks that public policy must consciously balance.

2017-11-02 Of the lot, this man was still her best bet. He not only looked the most inebriated, but the most disreputable – lean and hungry and totally without principle. Once he was sober, he would no doubt be easy to buy. “Sister” Kerry Bishop got more than she bargained for when she entered the seedy bar seeking the services of a man, more particularly a mercenary. Linc O’Neal wasn’t the soldier of fortune Kerry mistook him for...but he proved to be just as dangerous and twice as unscrupulous. Linc agrees to help Kerry rescue a group of children from a ruthless dictator, but his motivation is far from noble. If they survive what appears to be a suicide mission, he plans to take Kerry’s promised fifty thousand dollars—in addition to her body—which she provocatively

With innocent lives at stake, malevolence and distrust all around, and forbidden desire simmering between them, the steamy atmosphere surrounding Kerry and Linc has little to do with the jungle they must penetrate. Struggling against all odds to stay alive, they discover that their real challenge is to fight the devil within.

*Matthew* R. Alan Culpepper 2022-03-01  
In this new critical commentary for the New Testament Library series, R. Alan Culpepper sets the Gospel of Matthew in the context of the competing Jewish and early Christian voices of the first century, bringing greater clarity to Matthew's own proclamation of the gospel and inviting readers to give up perhaps long-held assumptions about the book.

In Culpepper's treatment, Matthew emerges as a Gospel for a Jewish community, distinguishing itself from the Pharisees on one side and other early Christian traditions and leaders, especially Paul and his followers, on the other side. In this framework, Matthew calls his community to faithful observance of the law, a law-observant mission to both Jews and Gentiles, and repentance and the practice of forgiving in preparation for the coming judgment. Accordingly, Matthew takes readers back to an early period, before the separation of Jewish Christians from the synagogues. By taking seriously Matthew's Jewishness, this volume also enables readers to hear the historical Jesus more clearly. Excursuses on Matthew's social

setting include Jesus as healer, Sabbath observance, Roman taxation, the Pharisees, the tithes, ancient weddings, and the Sanhedrin, as well as many shorter units on Second Temple Judaism, synagogues, and first-century Galilean society. The New Testament Library series offers authoritative commentary on every book and major aspect of the New Testament, providing fresh translations based on the best available ancient manuscripts, critical portrayals of the historical world in which the books were created, careful attention to their literary design, and a theologically perceptive exposition of the biblical text. The contributors are scholars of international standing. The editorial board consists of C. Clifton Black, Princeton Theological
