American First Ladies Lewis L. Gould
2021-12-13 An historical survey of the impact of individual First Ladies' impact on America and the American woman. A selection of each woman's own writings is given along with a commentary on her influence, and a biography of her life, and the narrative covers all the presidents' wives from Martha Washington to Hillary Rodham Clinton.

The Development of the American Presidency Richard J. Ellis
2015-06-26 A full understanding of the institution of the American presidency requires us to examine how it developed from the founding to the present. This developmental lens, analyzing how historical turns have shaped the modern institution, allows for a richer, more nuanced

understanding beyond the current newspaper headlines. The Development of the American Presidency pays great attention to that historical weight but is organized by the topics and concepts relevant to political science, with the constitutional origins and political development of the presidency its central focus. Through comprehensive and in-depth coverage, this text looks at how the presidency has evolved in relation to the public, to Congress, to the Executive branch, and to the law, showing at every step how different aspects of the presidency have followed distinct trajectories of change. All the while, Ellis illustrates the institutional relationships and tensions through stories about particular individuals and specific political conflicts.

Ellis's own classroom pedagogy of promoting active learning and critical thinking is well reflected in these pages. Each chapter begins with a narrative account of some illustrative puzzle that brings to life a central concept. A wealth of photos, figures, and tables allow for the visual presentations of concepts. A companion website not only acts as a further resources base—directing students to primary documents, newspapers, and data sources—but also presents interactive timelines and practice quizzes to help students master the book's lessons. The second edition a new chapter on unilateral powers that brings greater attention to domestic policymaking.

NOAA. 1981

Heroes, Villains & Dupes Paul E. Ronan 2010-06-22 The existential question facing the antebellum presidents was how to resolve the dichotomy between the freedoms guaranteed in the Declaration of Independence and the protection of slavery established by the Constitution. This work details how each president dealt with this issue. It then ranks the presidents on the sole criterion of their ability to recognize slavery as the critical threat to national unity, and to act decisively to end the evil and peacefully preserve the Union. The book ends with the beginning of the Civil War – the result of presidents' efforts.

Our Paper 1909

Journal of the House of Representatives of the United States
United States. Congress. House 2011
Some vols. include supplemental journals of "such proceedings of the sessions, as, during the time they were depending, were ordered to be kept secret, and respecting which the injunction of secrecy was afterwards taken off by the order of the House."

David McCullough Library E-book Box Set David McCullough 2011-05-24
Perfect for David McCullough fans and history lovers alike, this eBook boxed set features all of his bestselling titles, from 1776 to Mornings on Horseback. This e-book box set includes all of David McCullough's bestselling backlist titles: · 1776: The riveting story of George Washington, the men who marched with him, and their British foes in the momentous year of American independence. · Brave Companions: Profiles of exceptional men and women who shaped history, among them Alexander von Humboldt, Harriet Beecher Stowe, and Charles and Anne Lindbergh. · The Great Bridge: The remarkable, enthralling story of the planning and construction of the Brooklyn Bridge,

which linked two great cities and epitomized American optimism, skill, and determination. · John Adams: The magisterial, Pulitzer Prize-winning biography of the independent, irascible Yankee patriot, one of our nation's founders and most important figures, who became our second president. · The Johnstown Flood: The classic history of an American tragedy that became a scandal in the age of the Robber Barons, the preventable flood that destroyed a town and killed 2,000 people. · Mornings on Horseback: The brilliant National Book Award-winning biography of young Theodore Roosevelt's metamorphosis from sickly child to a vigorous, intense man poised to become a national hero and then president. · Path Between the Seas: The epic National Book Award-winning

history of the heroic successes, tragic failures, and astonishing engineering and medical feats that made the Panama Canal possible. · Truman: The Pulitzer Prize-winning biography of Harry Truman, the complex and courageous man who rose from modest origins to make momentous decisions as president, from dropping the atomic bomb to going to war in Korea. · Special Bonus: The Course of Human Events: In this Jefferson Lecture in the Humanities, David McCullough draws on his personal experience as a historian to acknowledge the crucial importance of writing in history's enduring impact and influence, and he affirms the significance of history in teaching us about human nature through the ages.

Harold E. Stassen Alec Kirby,
2012-12-13 In 1938 Harold E. Stassen was elected governor of Minnesota at age 31, an office he resigned in 1943 to enter the United States Navy at the height of World War II. In the postwar years he helped write the charter of the United Nations and, serving in the Eisenhower administration, very nearly achieved a nuclear test ban treaty with the Soviet Union. He is famously known as a perennial candidate for the Republican Party nomination for president, seeking it 10 times between 1944 and 1992.

The Causes of the Civil War Paul Calore 2014-10-16 While South Carolina's preemptive strike on Fort Sumter and Lincoln's subsequent call to arms started the Civil War, South

Carolina's secession and Lincoln's military actions were simply the last in a chain of events stretching as far back as the early 1750s. Increasing moral conflicts and political debates over slavery—exacerbated by the inequities inherent between an established agricultural society and a growing industrial one—led to a fierce sectionalism which manifested itself through cultural, economic, political and territorial disputes. This historical study reduces sectionalism to its most fundamental form, examining the underlying source of this antagonistic climate. From protective tariffs to the expansionist agenda, it illustrates the ways in which the foremost issues of the time influenced relations between the North and the South.

Congressional Record United States. Congress 1968 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)

Guide to the Presidency and the Executive Branch Michael Nelson
2012-08-13 This comprehensive two-volume guide is the definitive source for researchers seeking an

understanding of those who have occupied the White House and on the institution of the U.S. presidency. Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure, powers, and operations of the office and the president's relationship with Congress and the Supreme Court. The fifth edition of this acclaimed reference completes coverage of the George W. Bush presidency, the 2008 election, and the first 3 years of the presidency of Barack Obama. This includes coverage of their handling of the economic crisis, wars abroad, and Obama's healthcare initiatives. The work is divided into eight distinct subject areas covering every aspect of the U.S. presidency, and all chapters in each subject area

have been revised and updated:
Origins and Development of the Presidency, including constitutional beginnings, history of the presidency and vice presidency, and presidential ratings Selection and Removal of the President, including the electoral process, a chronology of presidential elections, removal of the president and vice president, and succession Powers of the Presidency, including the unilateral powers of the presidency and those as chief of state, chief administrator, legislative leader, commander in chief, and chief economist The President, the Public, and the Parties, including presidential appearances, the president and political parties, the president and the news media, the presidency and pop culture, public support and

opinion, and the president and interest groups The Presidency and the Executive Branch, including the White House Office, the Office of the Vice President, supporting organizations, the cabinet and executive departments, presidential commissions, and executive branch housing, pay, and perquisites Chief Executive and Federal Government, including the president and Congress, the president and the Supreme Court, and the president and the bureaucracy Presidents, their Families, and Life in the White House and Beyond, including the daily life of the president, the first lady, the first family, friends of presidents, and life after the presidency Biographies of the Presidents, Vice Presidents, First Ladies This new volume also features more than 200 textboxes,

tables, and figures. Major revisions cover the supporting White House organizations and the president's role as chief economist. Additional reference materials include explanatory headnotes, as well as hundreds of photographs with detailed captions.

**United States of America
Congressional Record, Proceedings and
Debates of the 113th Congress Second
Session Volume 160 - Part 3**

John Quincy Adams James E. Lewis, Jr.
2001-03-01 This new book focuses on John Quincy Adams's extensive role in foreign policy, including his years as secretary of state and as president. Brief but thorough, John Quincy Adams: Policymaker for the Union analyzes Adams's foreign policy

accomplishments during key moments in American history, including the Rush-Bagot Agreement, the Transcontinental Treaty, the recognition of the Spanish-American republics, and the Monroe Doctrine. At the same time, the book shows that Adams was far less successful than many historians suggest. John Quincy Adams: Policymaker for the Union focuses on Adams's ideals of the centrality of the union to American happiness, the necessity of federal action to protect the union, and the indivisibility of foreign and domestic concerns. This book's examination of these three points casts new light on the logic behind many of Adams's accomplishments and also exposes the sources of some of his failures. This is the first study to examine how Adams's views

ultimately led to his failure as a policymaker. This book is ideal for courses in diplomatic history, American history, and American political history.

The Oxford Companion to the Supreme Court of the United States Kermit L.

Hall 2005-05-19 The second edition of this authoritative guide on the impact of the Supreme Court's decisions on American society includes updated entries on key cases over the past thirteen years, as well as a fully revised treatment of areas of constitutional law.

Traffic World 1911

Army & Navy Life and the United Service 1909

The Oxford Companion to the Supreme Court of the United States Kermit L. Hall 2005-05-19 The Supreme Court has continued to write constitutional history over the thirteen years since publication of the highly acclaimed first edition of The Oxford Companion to the Supreme Court. Two new

justices have joined the high court, more than 800 cases have been decided, and a good deal of new scholarship has appeared on many of the topics treated in the Companion. Chief Justice William H. Rehnquist presided over the impeachment trial of President Bill Clinton, and the Court as a whole played a decisive and controversial role in the outcome of the 2000 presidential election. Under Rehnquist's leadership, a bare majority of the justices have rewritten significant areas of the law dealing with federalism, sovereign immunity, and the commerce power. This new edition includes new entries on key cases and fully updated treatment of crucial areas of constitutional law, such as abortion, freedom of religion, school desegregation, freedom of speech,

voting rights, military tribunals, and the rights of the accused. These developments make the second edition of this accessible and authoritative guide essential for judges, lawyers, academics, journalists, and anyone interested in the impact of the Court's decisions on American society.

Millard Fillmore Robert J. Scarry
2001-02-10 From the time he left office in 1853, thirteenth United States president Millard Fillmore has become increasingly shrouded in mystery and stereotyped by traditional anecdotes that have come to be accepted as fact. The real Millard Fillmore was not the weak and boring figurehead many Americans today believe he was. This account of Fillmore's life is drawn largely from the Fillmore family's personal papers, many of which have previously been suppressed, unavailable, or believed lost for decades. Covering Fillmore's life from his ancestry to his presidency, and finally to his death and descent into obscurity, this history presents Fillmore as his

own letters do, and as his friends, family members, and contemporaries saw him, as a distinguished and honorable man who was also a strong and effective president. This comprehensive work includes a genealogy of the Fillmore family, a brief chronology of Fillmore's life and career, a bibliography, and an index. Photographs complement this carefully researched portrait of a wrongfully underrated American leader.

Driving Home Jonathan Raban 2010 A volume of essays by the National Book Critics Circle Award-winning author of *Passage to Juneau* explores two decades of current events and life on the edge in the Pacific Northwest and beyond, sharing his experiences in such venues as a Tea Party convention

hosted by Sarah Palin and a road trip in flooded Mississippi.

American Women Prose Writers to 1820

Matthew J. Bruccoli 1999 Essays on woman prose writers, including diarists and letter writers, who lived and published or circulated their works in North America and the Caribbean during the colonial and early national periods. Includes writers who received significant attention from contemporary scholars as well as writers from under-represented groups, such as those

from the South, those who remained Loyalists, and those whose lives were less privileged.
