Learn to Speak Saafi-Saafi Tamsier Joof 2017-07-07 The languages of the Seereer people are some of the most beautiful languages to speak and listen to. Saafi-Saafi, the principal Cangin language spoken by the Saafi people (a subgroup of the Seereer) is one of them. Saafi-Saafi is one of the officially recognised languages of Senegal. Number of speakers is estimated at 200,000 and rising (2012).

Albinism in Africa Jennifer Kromberg 2018-01-02 Albinism in Africa: Historical, Geographic, Medical, Genetic, and Psychosocial Aspects provides the first in-depth reference for understanding and treating patients of human albinism in Africa. Leading international contributors examine the historical, geographic, psychosocial, genetic and molecular considerations of importance in effectively and sensitively managing this genetic disorder. Foundational chapters covering the historical and psychosocial aspects of albinism are supplemented by discussions of the pathobiology of the disease, as well as a thorough analysis of the genetics of skin pigmentation, eye pigmentation, hair pigmentation, and incidents of skin cancer involved in the manifestations of this disorder. New prenatal diagnostics and genetic testing methods, genetic risk assessment for individuals, families, and communities, and novel genetic markers that may be used for developing new therapeutics for treating albinism are also discussed in detail. The book provides care management

approaches that may be applied to instances of albinism in other regions, along with guiding principles for treating rare genetic disorders and stigmatized patient populations across the globe. Includes contributions from leading international contributors who examine the historical, geographic, psychosocial, genetic and molecular aspects of importance in sensitively managing albinism in Africa Discusses recent advances in our understanding of the pathobiology of albinism, while also offering a thorough analysis of the genetics of skin pigmentation, eye pigmentation, hair pigmentation, and rates of skin cancer Highlights new prenatal diagnostics and genetic testing methods and approaches to genetic risk assessment for individuals, families and communities

Africa Tomorrow Edem Kodjo 1987 Discusses Africa's history and economic development, examines the pan-African movement, and looks at the problems and opportunities in Africa's future

Climbié Bernard Binlin Dadié 1971 "This book gives glimpses into the life of Climbié, a young boy from the Ivory Coast as he attends colonial French school, and then follows him to Dakar, Senegal where he finishes school and becomes a clerk. Upon his return to the Ivory Coast, he begins to speak out against colonial oppression and is imprisoned. Throughout the novel, the author attempts to show the tension between Africans, Europeans, and the people who are caught between the two worlds."--Goodreads
